

Sutton Trust Summer School

"The lectures and personal development sessions hold great academic value and will be crucial in making decisions in the near future. I had the best week, and I can't thank the Sutton Trust enough for the opportunity!"

About the Sutton Trust

Transform individual lives

We support 12,000 high attaining young people each year from less advantaged backgrounds to access leading universities and careers

Sutton Trust do-tank model

◀ Data and insights generated in both programmes and research strengthen all aspects of the Trust's activities as well as building credibility in our advocacy work ▶

Drive systemic change

Leverage our credibility and high-quality research to influence real policy change on the root causes of low social mobility from birth to the workplace

Testimonial

"I would tell people who question whether they should apply or not – not to worry, the Sutton Trust were extremely generous to me providing free accommodation, food, and a memorable experience. The friends I made on the experience helped boost my confidence that perhaps university life is not as difficult as many say it is.
